

*“New Horizon for Globalization
of Korean Cardiology”*

KSC2013

The 57th Annual Scientific Meeting of The Korean Society of Cardiology

29 (Fri.)~30 (Sat.), November, 2013

KINTEX, Goyang, Republic of Korea

29 (Fri.)

SPECIAL LECTURES

Plenary Session 1
Joint Symposium With China, Japan
Meet Expert 1, 2, 3
What I Have Accomplished

SYMPOSIUM

1. Catheter Ablation of AF: Reminiscence of Last 2 Decades
2. How can we Manage Heart Failure?
3. Molecular Mechanisms of Cardiovascular Diseases
4. Debates in Antiplatelet Treatment After DES Implantation
5. Advances in Management of Acute Myocardial Infarction
6. What we can Learn From Recent Hypertension Guidelines?
7. Clinical Application of Advanced Echo Technology
8. AVR in a 60 Year-old Severe AS Patient: Selection of Prosthetic Valve in the TAVI Era
9. General Issues of STEMI
10. Evidence-Based Utilization of Multimodality Imaging

Young Investigator Competition

Original Paper Presentation

Mini Oral 1

Poster Exhibition 1

Scientific Session 1-5

Symposium for Nurses and Technicians

Opening Ceremony

30 (Sat.)

SPECIAL LECTURES

Plenary Session 2
Joint Symposium With HongKong, Taiwan
Meet Expert 4, 5, 6

SYMPOSIUM

1. Women Heart and “KVRWG” Joint Symposium: Meet a Woman in Artery-Sex, Hormone and Artery
2. Truth and Falsity of Arterial Stiffness Indices
3. The Current Status and Research Utilization for the Big Health Statistic Data
4. Systemic Approach to Syncope
5. Current Updates in Structural Heart Disease Intervention: Focus on TAVI
6. Current Updates in Structural Heart Disease Intervention
7. Interesting Case Presentation (Intervention)
8. Mechanical Circulatory Support & Transplantation
9. Back to Basics; How to Assess Chest Pain Patient
10. Challenging Issues in Coronary Artery Surgery
11. Training Course (Arrhythmia)
12. Cardiac Pathology Review for Echocardiographers and Electrophysiologists
13. Arrhythmia & Kidney
14. Reminding Ethical Errors in Clinical Trials
15. Specific Issues of STEMI
16. Diastolic Function From Basics to Applications

Original Paper Presentation

Mini Oral 2

Poster Exhibition 2

Scientific Session 6-9
