

# KSC 2014

The 58<sup>th</sup> Annual Scientific Meeting of The Korean Society of Cardiology

28 – 29  
November

**KINTEX**  
Goyang, Korea

*“Vision of New World Through The Heart”*

## 28 (Fri.)

### Special Lectures

Joint Symposium (ACC, AHA, China, Japan)  
Meet the Expert (Arrhythmia)  
What I Have Accomplished  
Plenary Session 1

### Symposium

01. Optimal Approaches for Valvular Heart Disease
02. Recent Advances in Imaging in Intervention
03. Recent Advances in Physiologic Assessment in PCI
04. Symposium on Imaging Studies
05. Arrhythmia in HF
06. Clinical Trial Design and Research Technology on Hypertension
07. Current Practical Issues on Congenital Cardiac Surgery
08. Let's Talk About Practical Point of Heart Failure
09. Health Policy Issues in CVD: Health Communication for Better Health
10. Inflammation: New Biomarker and Therapeutic Approach
11. Up to Date in Echocardiography
12. Innovations in Stem Cell Biology & Cell Therapy for Myocardial Infarction
13. Practical Issues for Arrhythmia Patient Care

### Young Investigator Competition

### Original Paper Presentation

### Mini Oral 1

### Poster Exhibition 1

### Scientific Session 1-5

### Opening Ceremony

## 29 (Sat.)

### Special Lectures

Joint Symposium (ESC, HongKong, Indonesia, Taiwan, Vietnam)  
Meet the Expert (Arrhythmia, Echo, Hypertension)  
Plenary Session 2

### Symposium

01. Debates on Multivessel PCI in STEMI
02. Debates on Thrombectomy in STEMI
03. Debate Session: Management in Acute Type I Aortic Dissection & IMH
04. Perfusion Imaging
05. Current Issues in Coronary and Peripheral Intervention
06. Decision Making on Treatment of Infective Endocarditis
07. When to Repair vs. Replace the Mitral Valve
08. Ethics Workshop
09. Gender Specific Cardiac Risk Factors
10. Future Medicine in Cardiology
11. Controversies on Vascular Outcomes
12. Innovations in Drug & Interventional Therapy for Myocardial Infarction
13. Role of Echocardiography in Special Situation
14. Tips and Tricks in EP Procedures; Only Talk About Techniques
15. Coronary Artery Disease

### Original Paper Presentation

### Mini Oral 2

### Poster Exhibition 2

### Scientific Session 6-7

### Symposium for Nurses and Technicians
